Timely Congeniality

Great job everyone! Keep up the good work! Start looking for little (*) next to your names after this set of points. That will mean you haven't gone in enough classes to qualify for a year-end award in that particular class. If there are any corrections or questions, please contact me by email: surly42@hotmail.com with a subject title of NMAWHC only please.

These points include Gladwin, both weekends of the Anna Bays series, Cadillac and the first weekend in the Windsonnet Jackpot series. Thank you everyone and once again, fantastic job!

**Sincerely,
Your Point Secretary,
Tallie #14**
